

Bihar State Power Transmission Company Limited

Regd Office:- Vidyut Bhawan, Bailey Road, Patna)

O.O. No. 86 /

Patna, Date - 02-02-2015

T-D/M&C-(I.P) 80014/2013

As directed it is required to update the detail of Grid Sub-Station and their associated transmission lines on the Web-Portal of BSPTCL on regular basis.

Hence, all the concerned department e.g. Trans. (O & M), Trans. (P & P) at Hd. Quarter level and field officers including store personnel are requested to submit all relevant data (exhaustive) to the IT-Cell of BSPTCL at the earliest in the formats available on website of BSPTCL.

It is also requested to continue this practice in future so that every detail/changes regarding construction of new GSS, Trans. Lines, augmentation work, replacement of equipments, permanently outage of equipments etc. should be updated regularly.
