**GM (HR), BSPTCL**

**Sub:-**Regarding notification of change in process for grant of Grid Connectivity to RE developer through online Single Window System (SWS) developed by BREDA.

**Sir,**

With reference to the trailing mail, this is to inform that approval of competent authority has been accorded for adoption of processing application up to intimation of grant of connectivity to the RE developer through online Single Window System being developed by BREDA. For others, the process will remain offline.

As such, it is requested to notify the above change in process in widely circulated newspaper in Bihar.
