Sub: Adoption of Cyber Crisis Management Plan -2022 in BSPTCL

The Govt. Of India has mandated all critical sector organizations to develop & operationalize a Cyber Crisis Management Plan (CCMP) so as to ensure a coherent response mechanism as an integral part of operations of IT infrastructure. Based on Model CCMP template circulated by Indian Computer Emergency Response Team (CERT-In), Cyber Crisis Management Plan -2022 of BSPTCL has been prepared.

The Board of Directors of Bihar State Power Transmission Company Limited in its 103rd Meeting held on 13.12.2022 vide its Resolution No. 103-10 accorded its approval for adoption of duly vetted (by CERT-In) Cyber Crisis Management Plan.

All concerned officers of BSPTCL are hereby requested to ensure compliance from the date of issue of this order in letter and spirit.

ENCL: As above
