# BIHAR STATE POWER TRANSMISSION COMPANY LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2015

#### NOTE 1:

#### Significant Accounting Policies

#### A. Basis of preparation of financial statements: -

The Financial Statements are prepared on going concern basis, under historical cost convention and on accrual basis in accordance with Generally Accepted Accounting Principles in India and the applicable Accounting Standards notified under the Companies Act 2013 unless otherwise stated. The Company's business operations are governed by the Electricity Act, 2003.

Based on the nature of business, the company has ascertained its operating cycle as 12 months for the purposes of classification of assets and liabilities as current and non-current.

#### B. Use of Estimates:-

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Difference between the actual result and estimates are recognized in the period in which the results are known/materialized.

#### C. Capital grants, Subsidies :-

In accordance with the Accounting Standard 12 on 'Accounting for Government Grants', Grants and Subsidies received from Government are recognized on reasonable certainty of its realization.

Grants and Subsidies received for the specific assets are disclosed as Grants on Liabilities side and amortized in proportion of depreciation every year for depreciable assets acquired. On acquisition of Non-depreciable assets, the cost of asset acquired is transferred from Grant account to Capital Reserve and kept intact.

#### D. Fixed Assets:

Fixed assets are stated at cost comprising of purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

Assets transferred from erstwhile Bihar State Electricity Board are stated at the transaction values as notified by the Govt. of Bihar under The Bihar State Electricity Reforms Transfer Scheme, 2012 notified vide notification no. 17 dated 30th October 2012 and further amended as per final transfer scheme under consideration.

In the case of commissioned assets, deposit works or cost-plus contracts where final settlement of bills with contractors is yet to be affected; capitalization is done on provisional DOKAI basis subject to necessary adjustments in the year of final settlement.

Ku

The cost of land includes provisional deposits, payments/ liabilities towards compensation, rehabilitation and other expenses wherever possession of land is taken. Expenditure on leveling, clearing and grading of land is capitalised as part of cost of the related buildings. Transmission assets are considered 'Ready for intended use' for the purpose of capitalization after test charging/successful commissioning of the transmission assets and on completion of stabilization period wherever technically required.

#### E. Capital works-in-progress: -

- (i) Capital works-in-progress includes the cost incurred on fixed assets that are not yet ready for the intended use and is capitalized up to the date these assets are put to use. All expenditures of construction division are allocated to the projects on pro-rata basis to the additions made to respective project.
- (ii) Claims for price variation are accounted for on their acceptance.

#### F. Impairment of Assets:

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the company's fixed assets. If any indication of impairment exists, recoverable amount of the assets is estimated. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss amount. If at the balance sheet date, there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount so reassessed.

#### G. Segment Reporting:

The Company has only one activity namely "Transmission of Power". Moreover the company's operations are mainly confined within the State of Bihar and the company does not have material earnings outside Bihar or outside India. Accordingly, the Accounting Standard - 17, Segment Reporting is not applicable.

Talkinari dhala biti bibkitab

#### H. Inventories:

Inventories are valued as under:

- Consumable stores and spares, construction stores, mandatory spares of consumable nature – on weighted average method.
- (ii) Scrap on Book value or Net Realizable Value (NRV) whichever is lower.

#### I. Provisions and contingent Liabilities:

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made based on technical valuation and past experience. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation on the balance sheet date. No provision is recognized for liabilities whose future outcome cannot be ascertained with reasonable certainties. Such contingent liabilities are not recognized but are disclosed in the schedule of contingent liability on the basis of judgment of the management/ independent expert. The SOCKAA are reviewed at each balance sheet date and adjusted to reflect the current management estimate.

#### J. Cash flow statement:

Cash flow statement is prepared using the indirect method of the Accounting Standard-3.

#### K. Revenue Recognition:

# BHHAR STATE POWER TRANSMISSION COMPANY LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2015

Note: 29 Other Disclosures

できているこうからからからいからののののからからからいっているというという

- 1. Corporate Information: Bihar State Power Transmission Company Limited is a company registered under the Companies Act, 1956 in June, 2012, to which the State Govt. through the Department of Energy has vested transmission undertakings in Bihar of the erstwhile Bihar State Electricity Board in accordance with the Bihar State Electricity Reforms Transfer Scheme, 2012 vide notification no. 17 dated 30.10.2012.
- The Annual Accounts of the Company for the year 2014-15 has been prepared as per the format prescribed under the Schedule III of the Companies Act 2013.
- 3. The State Govt. vide notification no. 17 dated 30-10-2012 has notified opening balance sheet on provisional basis, based on balance sheet of erstwhile BSEB as on 31st March 2011, stating that the amount under various heads are subject to validation, verification, updation and truing up and these shall be completed during the provisional period i.e. a period of one year from the effective date i.e. 01-11-2012. M/s PFC Consulting Ltd., New Delhi which was appointed as consultant for restructuring of the erstwhile BSEB, was also assigned work related to hand holding phase of the successor companies including BSPTCL. As the provisional balance sheet notified by the State Government was related to 31st March 2011 and the effective date for operation of the successor companies including BSPTCL was 1st November, 2012, M/s PFC Consulting Ltd. New Delhi revised the opening balance sheet for all the successor companies including BSPTCL based on Annual Accounts of the erstwhile BSEB as on 31st October, 2012, which was also adopted as the opening balance sheet by the Bihar State Power (Holding) Co. Ltd. However the opening balances for the various successor companies were provisional and were to be amended in line with final transfer scheme.
- 4. The final transfer scheme has been submitted by M/s PFC Consulting Ltd. with the revised final opening balance sheet as on 31<sup>st</sup> October 2012.
